

MiniCryptic Crossword

583

Cryptic clues are usually divided into two parts. One part is a straight definition of the answer, and the other part is a cryptic description utilizing wordplay. The order and the divide between parts are for the solver to figure out. There is a tutorial on the [Word Puzzle page](#) to help you get started.

Across

1. Flyer's constant fortune.
4. Snoopy, out of his head, feeling well under par.
5. Lucky is down for a loss – fine with him.

Down

1. Phosphorus at the lead? I beg pardon.
2. Pure reasoning found the summer treat under the diary.
3. Scant time for even shorter year.
